# Cut & Discover: Going Bananas

## Focus Skill:

This activity allows students to practice reading 1B Power Words.

## Before You Play:

Safely cut out the Power Word cards on pages 98-105 and the 4 BANANAS! cards on page 107. Place all cards into a brown paper bag or other non-transparent container.

## Directions:

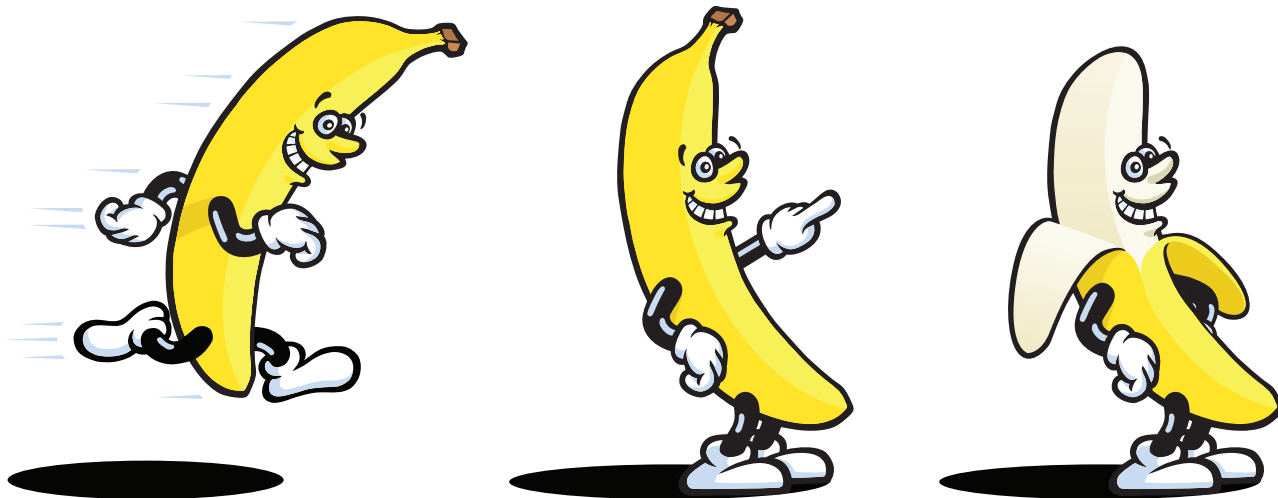

The first student takes a turn by drawing a Power Word card from the bag. If the student is able to read the card, he/she keeps the card, and it is now the next player's turn. If the student cannot read the Power Word or reads it incorrectly, he/she puts that card back into the bag, and it is now the next player's turn.

If a player pulls a BANANAS! card, that player must put ALL of his/her cards back into the bag. The BANANAS! card does not go back into the bag.

The game continues until all of the Power Word cards have been pulled. The player with the most cards wins.

## CHALLENGE:

For an added challenge, cut out the 4 BANANAS CHALLENGE cards on page 107. Throw these into the bag. If a student picks a BANANAS CHALLENGE card, he/she follows the directions on the card.
