6480.2 School Nutrition Programs- Code of Conduct for Procurement

ALL PROCUREMENTS MUST ENSURE THAT THERE IS FULL AND OPEN COMPETITION AND ADHERE TO THE MOST RESTRICTIVE FEDERAL/STATE/LOCAL REQUIREMENTS.

Procedures: The Egg Harbor Township Board of Education seeks to conduct all procurement procedures:

- in compliance with stated regulations; and
- to prohibit conflicts of interest and actions of employees engaged in the selection, award and administration of contracts.

No employee, officer, or agent may participate in the selection, award, or administration of a contract supported by a federal, state, or local award if he or she has a real or apparent conflict of interest. Such a conflict of interest would arise when the employee, officer, or agent, any member of his or her immediate family, his or her partner, or an organization which employs or is about to employ any of the parties indicated herein, has a financial or other interest in or a tangible personal benefit from a firm considered for a contract.

The officers, employees, and agents of the non-federal entity may neither solicit nor accept gratuities, favors, or anything of monetary value from contractors or parties to subcontracts. However, non-federal entities may set standards for situations in which the financial interest is not substantial or the gift is an unsolicited item of nominal value.

The standards of conduct must provide for disciplinary actions to be applied for violations of such standards by officers, employees, or agents of the non-federal entity. Based on the severity of the infraction, the penalties could include a written reprimand to their personnel file, a suspension with or without pay, or termination. For questions and concerns regarding procurement solicitations, contract evaluations, and award, contact the Director of Food Services or the School Business Administrator.
