Egg Harbor Township Board of Education

5570

SPORTSMANSHIP

In keeping with the Board of Education's policies related to student activities, conduct and welfare/health, the Board directs the district's Director of Athletics, in conjunction with building administrators and coaches, to establish rules and regulations to serve as guidelines for student athletic behavior.

The district Director of Athletics will develop procedures by which all students and their parents or legal guardians are informed of these rules and regulations and that the established rules and regulations are reviewed for their effectiveness and appropriateness on no less than an annual basis.
