TUITION INCOME

The Board of Education shall charge and assess tuition for attendance in the schools of this district by pupils not entitled to receive a free public education in this district and whose enrollment has been approved by the Board.

Tuition rates will be determined and approved annually and will represent the cost per pupil in average daily enrollment, in accordance with law. Rates will be published to the sender before the beginning of the school year or before the pupil's attendance commences.

The School Business Administrator/Board Secretary shall be responsible for the assessment and collection of tuition. Tuition billing will be made monthly immediately following the period for which the billing is made.

Educational services may be terminated for any pupil whose tuition payment is delinquent.
